

NEW PRODUCTS

PIR Board

Introducing the new Ecostar PIR External Wall System otherwise known as Pink Board.

This board will give your home an 8 star rating!

The benefits are:

- Complies with AS 3959.2009 - Construction of Buildings in Bushfire Prone Areas
- Meets BAL 40 (Extreme) Fire Resistance Criteria
- Certified R4.6T Thermal Value
- Is lightweight and easy to handle
- Has zero water absorption properties
- Is aesthetically pleasing, watertight and super strong when rendered and texture coated.
- Backed by a Full System Warranty

Please speak to your rep for pricing or phone the office.

Introducing Render Systems Australia (RSA)

You may have read back in June about our new renders by RSA with the different drying times. Well they have now added an addition to their texture range called "**BLING**"

There are two types:

BLING FINE
BLING COARSE

The Bling textures have a longer working time and faster curing time. They also don't need to be Clearcoted.

We will update our website to reflect all of our new products in the New Year.

www.rtp.net.au

CHRISTMAS TRADING

SPECIAL MESSAGE FROM OUR TINT DEPARTMENT!!!

RE - BOXING

Please remember with all Textures and Paints that boxing is highly important - so this month's motto is "**DON'T FORGET TO BOX**" your colours.

If you are unsure what boxing is please don't hesitate to contact our tint department for some helpful hints.

From all the team at RTP would like to take this opportunity to Thank you for your support over the past 12 months.

We wish both you and your families a Happy and safe Christmas and a Healthy and prosperous 2011!

See you in the New Year!!
